

Privacy Policy

Sublime Pandemonium

This privacy policy governs your use of the software application Sublime Pandemonium for Android mobile devices that was created by SpiceCap.

What information we collect?

Our application does not collect personal information like name, surname, age, date of birth, etc.

The only information we collect is the number of times the users play Ranked and PVP mode, the type of Cards they use, and the number of times they win or lose. This information is used to make statistics and to improve the game, in addition to being able to award prizes to outstanding players.
